

# Preparedness and Long Term Recovery Panel

**Bay Area Planning Directors Association**

**Tina Curry, Deputy Director  
CA Governor's Office of Emergency Services  
November 2, 2018**

# CA Governor's Office of Emergency Services

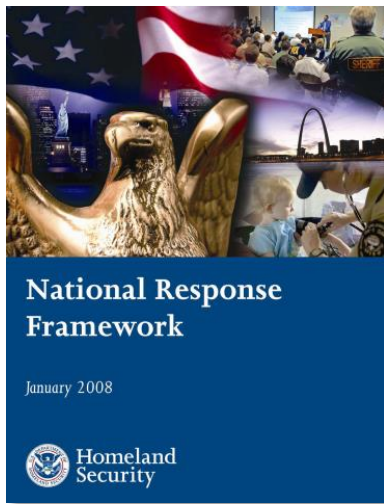

- Directs State Agency actions and coordinates mutual aid in times of emergency.
- Delivered through a single, statewide system that is scalable.
- We work in all phases—before, during and after disasters in support of local government.
- Link to the federal government for emergency assistance.

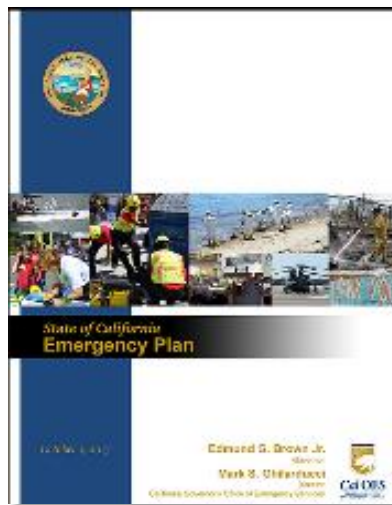

# Disasters are More Severe and Frequent

# Planning for Response

National Plan

State Plan

Hazard Plans

# Response and Recovery Assistance

- CA Disaster Assistance Act
- Federal Emergency Management Agency
  - Individual and Household Assistance
  - Public Assistance
- Other Disaster Assistance: Housing and Urban Development, Small Business Administration, Economic Development, etc.

# Planning for Risk Reduction and Resilience

- State of CA Hazard Mitigation Plan
- Local Hazard Mitigation Plans
- Adaptation Planning Guide

# Mitigation Assistance Programs

Hazard Mitigation Assistance – for planning and projects:

- Pre-Disaster Mitigation
- Flood Mitigation Assistance
- Hazard Mitigation Grant Program

# \*New\* Disaster Recovery Reform Act (H.R. 302)

- Wildfire Prevention
- Code Implementation and Enforcement
- Increased management costs for mitigation
- National Public Infrastructure PreDisaster Mitigation
- Requires FEMA to streamline disaster assistance across federal agencies

# Opportunities for Engagement

- Training opportunities and technical assistance
- Be grant-ready: help with applying for funds
- Early assistance as local mitigation plan is developed
- Adaptation Planning Guide
